The first plane with Armenian humanitarian aid has taken off from [Erivan]'s Zvartnots Airport.

Two more planes will carry aid to Beirut next week.

Thirteen Armenians were killed, hundreds were injured as a result of two massive explosions that rocked Beirut.

A total of 158 people have been confirmed dead, 5,000 have been injured and 300,000 are homeless.

UN agencies have warned of a humanitarian crisis in Lebanon.
