
AZERBAIJAN: COMBAT OPERATIONS CONTINUE ALONG FRONT LINE

-

30.10.2020

Anadolu Agency (30 October 2020)

Jeyhun Aliyev, Merve Berker

At least 90 civilians have been killed, including 11 children and infants, and 392 injured in attacks by Armenian forces

Combat operations continued Thursday along the front line a month after border clashes erupted between Armenia and Azerbaijan, according to local authorities.

Over the past day and night, Armenian forces fired on the positions of units of the Azerbaijani army and civilian settlements with weapons including artillery and missiles, said Azerbaijan's Defense Ministry.
