
GREECE MAKES FRESH WWII REPARATION CLAIMS FROM GERMANY

- 07.04.2021

Deutsche Well (5 April 2021)

DPA, KNA

The government in Athens has revived its demand for talks with Germany on wartime reparations just ahead of the 80th anniversary of the invasion of Greece by German troops in World War II.

"The question remains open until our demands are met. These demands are valid and active, and they will be asserted by any means," Foreign Ministry spokesperson Alexandros Papaioannou told the German news agency DPA.
