
SALIH: THE SUFFERING OF KIRKUK'S PEOPLE MUST BE ALLEVIATED

- 14.04.2021

Iraqi News Agency (13 April 2021)

The President of the Republic, Barham Salih, discussed today, Tuesday, with the President of the Turkmen Front, Hassan Turan, the security and service situation in Kirkuk.

His media office stated in a statement received by the Iraqi News Agency (INA), that "the President of the Republic, Barham Salih, received in the Peace Palace in Baghdad, the head of the Turkmen Front, Hassan Turan, where they discussed the overall security and service conditions in Kirkuk, and the issues facing their people, with an emphasis on The need to enhance the security and stability of the city and its coexisting components. "

The statement explained, "The meeting stressed the importance of promoting and protecting coexistence between the components of the city, addressing the outstanding issues in the city in accordance with the constitution, supporting dialogue among its residents, and sparing no effort to improve their conditions and overcome their suffering away from exclusion, marginalization and discrimination, and for solutions to be based on the will of its people."
