POLAND TO BUY 24 BAYRAKTAR TB2 DRONES FROM TURKEY

24.05.2021

Anadolu Agency (22 May 2021)

Faruk Zorlu

Poland will purchase 24 unmanned aerial vehicles (UAVs) from Turkey, the country's Defense Ministry said on Saturday.

"#WojskoPolskie [Polish army] will be equipped with modern equipment, with #Bayraktar TB2 [Turkey's Bayraktar TB2 drones], which have a striking force and have proven themselves in the wars in the east of our continent. They were also used in Africa," the ministry said on Twitter.
