
**OPPORTUNITIES FOR RESTORATION OF RAILWAY INFRASTRUCTURE AND CARGO
TRANSPORTATION ARE MORE VISIBLE - CARETAKER DEPUTY PM**

-

01.06.2021

Groong.org (31 May 2021)

In the context of unblocking the existing transportation communications in the region, the opportunities of restoring the infrastructure and routes of railway that operated in the Soviet times, as well as conducting cargo transportations through them with equal rights and conditions are considered more visible, Caretaker Deputy Prime Minister of Armenia Mher Grigoryan, who is also Armenias representative at the Armenia-Russia-Azerbaijan working group, told ARMENPRESS, adding that if the activities of the working group continue in the future, they will focus on these opportunities.
