A bill to strengthen the military alliance between the U.S. and Greece, with America helping Greece improve its military with new technology and equipment was introduced in the US Senate on Wednesday.

Titled U.S.-Greece Defense and Interparliamentary Partnership Act of 2021, it was initiated by Senator Marco Rubio (R-Fla.) and Senator Bob Menendez (D-N.J.), Chairman of the Senate Foreign Relations Committee.

The legislation authorizes expedited delivery of any future F-35 aircraft and delivery of excess defense articles to Greece.
