
KYRGYZSTAN STARTS RETURNING ELECTRICITY TO KAZAKHSTAN AND UZBEKISTAN

-

14.06.2021

24.kg (14 June 2021)

Return of electricity to Kazakhstan and Uzbekistan has begun from June 1, 2021 in accordance with previously reached agreements. Electric Stations JSC reported.

The company reminded that on March 2, 2021, the Ministries of Energy and Industry of Kyrgyzstan and Energy, Ecology, Geology and Natural Resources of Kazakhstan signed a protocol on the exchange of electricity. The same document was signed between the Ministries of Energy and Industry of Kyrgyzstan and Energy and Water Resources of Uzbekistan on March 11, 2021. In addition, a resolution and order of the Government of the Kyrgyz Republic was adopted on the exchange of electricity between Kyrgyzstan and Kazakhstan and between Kyrgyzstan and Uzbekistan.
