
TOP UN OFFICIAL URGES MYANMAR ACTION 'BEFORE IT'S TOO LATE'

-

24.09.2021

Al Jazeera (24 September 2021)

Michelle Bachelet, the United Nations High Commissioner for Human Rights, has warned of a human rights catastrophe under military rule in Myanmar and urged the international community to do more to prevent the conflict in the country from getting worse.

The national consequences are terrible and tragic □ the regional consequences could also be profound, Bachelet said in a statement on Thursday.

The international community must redouble its efforts to restore democracy and prevent wider conflict before it is too late.
