The first Slovenian film retrospective in Izmir will screen six Slovenian feature films and six short films during the 7th Balkan Panorama Film Festival, taking place in Izmir, Turkey, from 27 September to 3 October 2021. All the films were co-financed by the Slovenian Film Centre, which is organising the Slovenian focus.

The selection includes Sanremo by Miroslav Mandić, Slovenias bid for the 2022 Oscars in the Best International Feature Film category, and the short film Vesna Goodbye by Sara Kern, both selected for the competition programme of the festival. Sanremo was produced by Slovenias Filmmostovje in coproduction with RTV Slovenija and Italy's Incipit Film.
