Trend News Agency (4 March 2024)

Turkmenistan Railways has introduced benefits for transit routes through the Turkmenbashi International Seaport this year, Trend reports.

According to the Agency for Transport and Communications under the Cabinet of Ministers of Turkmenistan, Turkmenistan Railways introduced a 40 percent discount on the transportation of sugar raw materials and oilcake through the port of Turkmenbashi to the Farap/Takhiatash border checkpoint on the Turkmen-Uzbek border.

On private and rented wagons, as well as on wagons of the inventory fleet, which transport other types of products (except aluminum, alumina, and petroleum products transported in barrels) through the port of Turkmenbashi to the Farap border checkpoint/Takhiatash, a discount of 30 percent and 20 percent, respectively, will be provided.
