
GERMANY WANTS A BREXIT MEGA DEAL

-

26.07.2024

Politico (25 July 2024)

By Jon Stone

Berlin proposes a new Security and Cooperation Agreement encompassing everything from agriculture to the Erasmus student exchange program.

Keir Starmer has said he wants a broad new security agreement with the EU. It could end up being very broad indeed.

Berlin wants to turn the British prime ministers proposed security pact into a veritable Brexit mega deal: encompassing everything from agricultural rules to the Erasmus student exchange program.
