
FAR RIGHT BECOMES KINGMAKER IN FRANCE FOLLOWING MICHEL BARNIER NOMINATION

- 06.09.2024

Politico (6 September 2024)

By Clea Caulcutt

French President Emmanuel Macron has at last appointed a prime minister to break Frances political deadlock.

In doing so he has handed the far right a major win.

The survival of Michel Barniers future government depends on the goodwill of the National Rally, the far-right party of Marine Le Pen that finished third in this summers snap election.
