19.11.2024

Anadolu Agency (18 November 2024)

Gokhan Ergocun

Türkiye backs Iraq's Great Development Road Project, which aims to connect Iraq and Türkiye through railways, roads, ports, and cities, according to the Turkish trade minister on Monday.

During a meeting with Iraqi officials in Baghdad, Omer Bolat discussed Türkiye-Iraq bilateral trade relations, the ongoing work on the Development Road Project, and commercial transportation, according to his comments on the X platform.
