## ROMANIA'S SCHENGEN ACCESSION SET TO STRENGTHEN TIES WITH HUNGARY

-

23.12.2024

---

Euronews (20 December 2024)

Magyar Adam

Romanias long-awaited entry into the border-free Schengen area is expected to deepen ties between Romania and Hungary.

While many people already commute between the two countries, the removal of border checks on 1 January will make travel even easier.

The mayor of the Hungarian town of Biharkeresztes, Béla Péter Dani, said many Romanian citizens have already moved there and emphasised the importance of the connection between the district's capital and its surrounding Hungarian cities.
