Kazakh Deputy Prime Minister and Foreign Minister Murat Nurtleu held meetings with the leadership of Hungary's leading companies, including the CEO of UBM Group Péter Horváth, the Chairman of the Board of BDPST Group István Tiborcz, and the Chairman of the Board of 4iG Plc. Gellért Jászai in Budapest.

During the meetings, they discussed prospects for expanding investment cooperation and implementing joint projects in digitalization, transport logistics, the agro-industrial complex, hospitality, and sustainable technologies. Nurtleu reaffirmed Kazakhstan's openness to international partnerships and expressed readiness to provide comprehensive support at all stages of cooperation, reported the Kazakh Foreign Ministry's press service on May 22.
