ArmenPress (23 May 2025)

Russian Foreign Minister Sergey Lavrov said that Armenias Crossroads of Peace project can be implemented in the event of Yerevans normalization with Turkiye as well as signing of the peace deal with Baku.

He made the comments at a forum.

The Armenian side has developed an initiative called Crossroads of Peace, seeking to include its territory and logistic opportunities in major continental processes. If we speak about this, then we are in favor of all infrastructure projects to develop, Lavrov said.
