The development of the international multimodal corridor Tajikistan - Türkiye - Iran (TUTIT) + China, was the focus of a high-level meeting held in Dushanbe, Trend reports via the country's Ministry of Transport.

The event marked the second session of the High-Level Working Group on the TUTIT+China corridor, organized by Tajikistan's Ministry of Transport with the support of the German Corporation for International Cooperation (GIZ) and the Economic Cooperation Organization (ECO) under the Trade Facilitation in Central Asia project.

Senior officials from Tajikistan's Ministry of Transport were joined by representatives from ECO member states, including Iran, Kazakhstan, Kyrgyzstan, Pakistan, Turkmenistan, Türkiye, and Uzbekistan.
