The Parliamentary Assembly of Turkic States has fully established itself as an efficient institutional platform for legislative harmonization of the Turkic speaking countries, Chairman of the Kazakh Majilis Yerlan Koshanov said at the 14th TurkPA plenary session in Astana, Kazakhstan, Kazinform News Agency correspondent reports.

Speaking at the event, Koshanov said that parliamentary cooperation becomes a backbone of trust and stability. He called for the Organizations greater role in unifying regulations in economy, trade, education, ecology and other spheres.

The Kazakh Majilis Speaker also urged to ramp up the Assemblys activities in several key directions through parliamentary diplomacy.
