Fighting has raged in Ukraine since Russia launched a full-scale invasion more than three years ago. Russian forces have slowly expanded the amount of territory they control over the past year, mostly in the east of Ukraine, and have in recent weeks launched a barrage of air strikes on Kyiv and other cities.

Here is a recap of recent significant events and the situation in Ukraine.

Russia grinds forward in the east

In eastern Ukraine, Moscow's war machine has been churning mile by mile through the wide open fields of the Luhansk and Donetsk regions, surrounding and overwhelming villages and towns.
