The President of Kazakhstan, Kassym-Jomart Tokayev, received the Secretary-General of the Shanghai Cooperation Organization (SCO), Nurlan Yermekbayev, and discussed further development of cooperation, Trend reports.

According to Kassym-Jomart Tokayev, Kazakhstan places special importance on strengthening the role of the SCO as an effective and balanced international organization capable of promptly responding to contemporary challenges in global politics.

Moreover, the President highly appreciated Chinas current chairmanship of the SCO and expressed support for further improvement of the Organizations mechanisms.
