
CHINA-EUROPE RAILWAY EXPRESS (CHENGDU-CHONGQING) MIDDLE CORRIDOR ULTRA-EXPRESS BLOCK TRAIN BEGINS REGULAR OPERATION

-

10.07.2025

People's Daily Online (10 July 2025)

A freight train fully loaded with communication equipment, auto parts and other goods left Chongqing on Wednesday, marking the regular operation of the China-Europe Railway Express (Chengdu-Chongqing) Middle Corridor Ultra-Express Block Train.

After exiting China through the Khorgos port in Xinjiang Uygur Autonomous Region, it will pass Azerbaijan and Georgia before arriving in Türkiye and other European countries.
