Uzbekistan held an online meeting with the participation of transport authorities from Afghanistan and Pakistan, focused on creating favorable conditions to increase cargo traffic along the Uzbekistan-Afghanistan-Pakistan corridor, Trend reports.

The meeting was organized following the Presidential Decree of Uzbekistan, dated January 27, 2025 (No. PP-28), On Measures for the Further Development of the Transport and Logistics System of the Republic of Uzbekistan.

During the discussions, the parties reviewed a draft Joint Action Plan aimed at developing the trilateral transport route. The plan outlines practical steps to facilitate cargo transportation and eliminate existing barriers along the corridor.
