
HOW EUROPE MIRRORS TRUMP'S HARDLINE ANTI-IMMIGRATION AGENDA

-

22.07.2025

EU Observer (22 July 2025)

Adrian BURTIN

Images of the US campaign against illegal immigration have been seen and shared around the world.

Launched by US president Donald Trump immediately on his return to power, the ongoing crackdown betrays America's drift into authoritarianism.

It also shows something else: Europe's own migration policies are not so different.
