---

MENAFN-Trend News Agency (27 August 2025)

Currently, twelve international transport corridors pass through Kazakhstan, including five railway and seven road corridors, which strengthens the country's position as a strategic logistics hub in Eurasia, said Kazakhstan's President Kassym-Jomart Tokayev while speaking at the Kazakh-Jordanian Business Forum, Trend reports.

According to Tokayev, Kazakhstan is actively developing major international transport routes, including the Middle Corridor and the "North-South" corridor.
