Yeni Safak (1 September 2025)

The leaders of the Shanghai Cooperation Organization (SCO) on Monday adopted 24 documents to strengthen cooperation in security, economy and cultural exchanges.

The documents were adopted at the SCO summit of leaders in the northern Chinese port city of Tianjin.

Chinas President Xi Jinping hosted the two-day summit of SCO leaders as well as SCO plus, bringing together some 20 heads of state and government, besides leaders of international organizations.
