
RUSSIA TO SUSPEND GAS SUPPLIES TO ARMENIA FOR 10 DAYS FROM TUESDAY

- 16.09.2025

Anadolu Agency (15 September 2025)

Alperen Aktaş

Yerevan says consumers will not face shortages as supplies from Iran, reserves to cover demand.

Russian gas supplies to Armenia will be suspended for 10 days beginning from Tuesday due to planned maintenance work on the North Caucasus-Transcaucasia main pipeline in Russias Stavropol region,Gazprom Armenia announced on Monday.

Using internal reserves and additional imports from Iran, the company said natural gas transit to Armenia will be suspended from Sept. 16 to 26.
