The Straits Times (10 October 2025)

Vessels owned or operated by US firms and individuals □ or those built in the US or that fly the US flag □ will be charged additional port fees per voyage starting on Oct 14, Chinas Transport Ministry said.

The fees are a counter-measure against upcoming US port fees on Chinese ships, the ministry said on Oct 10.

Also starting on Oct 14, ships built in China □ or operated or owned by Chinese entities □ will need to pay a fee at their first port of call in the US.
