'Global unity succeeded in that (Middle East) region, and now everything must be done to end Russias war against Ukraine,' says Ukrainian president

Ukrainian President Volodymyr Zelenskyy said Wednesday that global unity, which helped achieve peace in the Middle East, should now be directed toward ending the Russia-Ukraine war.

Zelenskyy said he spoke with Greek Prime Minister Kyriakos Mitsotakis, who had just returned from Monday's peace summit in Egypts Sharm El-Sheikh.
