16.10.2025

BBC News (16 October 2025)

Gary O'Donoghue

Propped up in her hospital bed, railway conductor Olha Zolotova speaks slowly and quietly as she talks about the day her train was hit by a Russian drone.

"When the Shahed [drone] hit I was covered in rubble. I was in the second car. People pulled me out," she says.

"My eyes went dark. There was fire everywhere, everything was burning, my hair caught fire a little. I was trapped."
