On October 21, 2025, a bilateral meeting between the Speakers of the Parliaments of Azerbaijan and Armenia was held in Geneva within the framework of the 151st Assembly of the Inter-Parliamentary Union, Azernews reports.

During the talks, both sides welcomed the agreements reached at the Washington Summit and acknowledged the measures taken to advance normalization of relations.

The speakers emphasized the importance of continuing constructive dialogue and expressed their readiness to support confidence-building measures at the parliamentary level, reinforcing the role of legislative diplomacy in fostering regional stability.
