OC Media (27 November 2025)

Armenias Parliamentary Speaker Alen Simonyan has said that the country has de facto left the Russia-led Collective Security Treaty Organisation (CSTO), despite earlier assurances from the Foreign Ministry that no formal withdrawal was on the agenda.

Simonyan made the remarks on Wednesday while speaking to reporters in parliament.

He said that Armenias decision to sit out the CSTO summit in Bishkek, Kyrgyzstan reflected the current state of relations with the bloc.
