News.am (15 December 2025)

Trust is the driving force behind the steadily deepening relationship between India and Armenia, according to Indias Ministry of External Affairs spokesperson Randhir Jaiswal. Speaking in New Delhi to NEWS.am, CivilNet and Armenpress the spokesperson elaborated on bilateral ties and outlined Indias perspective on regional and strategic cooperation.

India-Armenia relations are becoming stronger

Pointing to a series of high-level visits since the start of the year, the spokesperson said ties between India and Armenia have been gaining momentum across political, economic and cultural spheres.
