
THE IRAQI COORDINATION FRAMEWORK CALLS FOR PARLIAMENT TO CONVENE AND PROCEEDING WITH ELECTING THE PRESIDENCY

-

16.12.2025

Iraqi News Agency (15 December 2025)

The Iraqi Coordination Framework called on Monday for a parliamentary session to be convened and for the election of the Presidency to proceed, emphasizing the importance of continued dialogue and discussions among all political parties to resolve the issue of forming a government.

The Framework's media office said in a statement received by the Iraqi News Agency (INA): "The Coordination Framework held its 254th regular meeting at the office of Prime Minister Mohammed Shia al-Sudani to discuss national priorities related to the upcoming phase and discussed ways to form a government within the constitutional framework."
