*A videoconference meeting chaired by President Shavkat Mirziyoyev was held to review the performance of the Ministry of Foreign Affairs and Uzbekistans diplomatic missions abroad.*

We are meeting at a difficult time, when sharp geopolitical shifts are taking place worldwide and threats to state sovereignty continue to intensify. Under these conditions, time itself requires us to critically reassess our foreign policy activities and reorganize the work of the Ministry of Foreign Affairs and our diplomatic missions abroad in a new way, the President said at the opening of the meeting.

The Head of State noted that Uzbekistans foreign policy in 2025 had been largely effective. High-level visits were made to 26 foreign countries during the year. For the first time in the history of the new stage of independence, Uzbekistan hosted official visits by the leaders of Bulgaria, Finland, Slovakia, Serbia, Jordan and Paraguay.
