*Tajikistans Minister of Energy and Water Resources Daler Juma met with Chinas Ambassador to Tajikistan, Guo Zhijun to discuss priority areas of bilateral cooperation, Khovar reports.*

The talks focused on expanding collaboration in the energy and water sectors, advancing joint projects, attracting investment, and drawing on Chinas technical expertise.

The sides highlighted that China remains one of Tajikistans key strategic partners. In recent years, ties between the two countries have grown steadily, built on mutual trust, respect, and shared interests.
