EU Neighbours East (5 February 2026)

The 3rd high-level EU-Armenia Political and Security Dialogue took place on 3 February in Yerevan, capital of Armenia.

Both sides reaffirmed the strategic ambition of the EU-Armenia partnership and shared commitment to advance cooperation and alignment in foreign, security and defence policy. They also highlighted the importance of continued, structured exchanges on political and security matters as an important pillar of the EU-Armenia Comprehensive and Enhanced Partnership Agreement (CEPA).

Both sides welcomed the strong momentum in bilateral relations, following the successful 6th EU-Armenia Partnership Council in Brussels in December 2025 and the adoption of the Strategic Agenda for the EU-Armenia Partnership.
