Ahmad Adil

Indian Prime Minister Narendra Modi on Wednesday held talks with Spanish Prime Minister Pedro Sanchez in New Delhi, according to an official statement.

Sanchez, who is in India to attend the AI Impact Summit 2026, discussed a wide range of issues aimed at deepening the India-Spain partnership, Indian Ministry of External Affairs spokesman Randhir Jaiswal said on US social media company X.

Key areas discussed include trade and economy, digital, innovation, health, climate action and education among others, he said, adding Modi, conveyed his appreciation for Spains consistent support for strong India-EU relations.
