President of Kazakhstan Kassym-Jomart Tokayev and Benjamin Black, Chief Executive Director of the U.S. International Development Finance Corporation (DFC), discussed prospects for expanding investment cooperation and implementing joint projects, Trend reports, citing the presidential press service.

During the meeting, the parties reviewed opportunities to deepen partnership across key sectors of the economy. Tokayev emphasized that the corporation is an important partner for Kazakhstan in advancing sustainable development and reaffirmed the countrys readiness to strengthen cooperation in various areas.

In turn, Black noted that Donald Trump and his administration place high priority on fostering close and mutually beneficial ties with Kazakhstan.
