In phone call with Iranian president, Azerbaijan's president also underlines importance of investigating incident, according to Azerbaijani presidency statement

The recent drone attack on Azerbaijan's Nakhchivan exclave was not linked to Iran, Iranian President Masoud Pezeshkian told Azerbaijani President Ilham Aliyev on Sunday, according to the Azerbaijani presidency.

Pezeshkian emphasized that the incident would be investigated, said an Azerbaijani presidency statement issued following a phone call between the two leaders.
