
OIL, GAS PRODUCTION HALTED ACROSS IRAQ'S KURDISH REGION, REGIONAL GOVERNMENT SAYS

-

16.03.2026

Anadolu Agency (15 March 2026)

Mohammad Sio

Oil and gas production across northern Iraq's Kurdish region has been completely halted following attacks on energy infrastructure, the regional government said Sunday.

In a statement, the Kurdish Regional Government's Ministry of Natural Resources said all oil and gas fields, refineries and energy facilities in the region had been targeted by outlaw militias.
