KAZAKHSTAN, U.S EXPAND ENERGY AND ECONOMIC COOPERATION

-

16.03.2026

Kazinform News Agency (16 March 2026)

Almas Zhexenbekov

Vice Minister of Energy of Kazakhstan Yerlan Akkenzhenov met on Monday with U.S. Ambassador Julie Stuftt, Qazinform News Agency reports.

During the discussion, the two sides addressed a broad spectrum of bilateral engagement, reaffirming their commitment to bolstering the energy partnership.

The talks centered on ensuring regional energy security and the stable operation of export routes to global markets. In this context, the parties highlighted the strategic importance of bilateral energy cooperation, which remains a foundation of economic relations between the two countries.
