IRAQ SAYS US-IRAN CEASEFIRE TO HELP STRENGTHEN SECURITY, STABILITY IN REGION

-

09.04.2026

Anadolu Agency (8 April 2026)

Murat Basoglu

Iraq on Tuesday welcomed the announcement of a two-week ceasefire between the US and Iran, saying the development would help strengthen security and stability in the region.

In a statement, the Foreign Ministry said it welcomes the announcement of a ceasefire between the United States and Iran and described it as a step that would reduce tensions, enhance prospects for calm, and strengthen security and stability in the region, according to the Iraqi News Agency (INA).
