President of Kazakhstan Kassym-Jomart Tokayev will visit Uzbekistan for an informal meeting with President of Uzbekistan Shavkat Mirziyoyev on April 11, Trend reports citing the press service of the Kazakh President.

The meeting will take place in Bukhara, where the leaders are expected to discuss prospects for strengthening strategic partnership and alliance between the two countries, as well as key issues on the regional agenda.

The leaders will also discuss increasing trade turnover, deepening industrial cooperation, promoting joint projects and programs in transport, energy, water and environmental issues, and enhancing cultural and humanitarian exchanges.
