
SYRIA ANNOUNCES 1ST EXPORT OF IRAQI FUEL TO GLOBAL MARKETS

-

16.04.2026

Anadolu Agency (15 April 2026)

Laith Al-jnaidi

The Syrian Petroleum Company announced Wednesday the launch of the first export operation of Iraqi fuel oil to global markets.

Fuel oil is a mixture of heavy residues left after crude oil refining and is used as a fuel source for heat generation, electricity, and mechanical energy.
