Madina Usmanova

Member states of the Trans-Caspian International Transport Route (TITR) have approved a detailed work plan for 2026, [Trend](#) reports via Kazakhstan Railways.

The agreement was reached during meetings of the Board and the General Assembly of the International Association Trans-Caspian International Transport Route held in Astana.

The sessions were chaired by Talgat Aldybergenov, Head of Kazakhstan Kazakhstan Railways. Participants included TITR member countries, Kazakhstan, China, Azerbaijan, Georgia, and Türkiye, as well as several European states, including Ukraine, Bulgaria, and Romania, alongside international partners such as Singapore.
