Turkish Republic of Northern Cyprus (TRNC) Prime Minister Unal Ustel slammed remarks by the leader of the Greek Cypriot Administration on deploying French soldiers in Southern Cyprus, calling it "an extremely dangerous, provocative and unacceptable step."

Ustel said the remarks were likely to cause serious damage to the atmosphere of peace and stability on the island."

On the one hand, (Nikos) Christodoulides and his mindset speak of a new negotiation process; on the other hand, they ignore and disregard the Turkish Cypriot people. This contradictory attitude clearly reveals his real intention, he said, according to local media.
