National Assembly adopts resolution, accuses EU legislative body of anti-Azerbaijani policy, slander, and smear activities despite earlier promises.

Azerbaijans parliament on Friday adopted a resolution on suspending cooperation with the European Parliament in all areas as it accused the legislative body of "continuing its anti-Azerbaijani policy, slander, and smear activities.

Citing the resolution adopted by the National Assembly, Azerbaijan's state news agency Azertac reported that the country's parliament is guided by joint activities for the sake of peace, security and sustainable development, and promotes open, sincere and constructive dialogue based on parliamentary values □□□□ common interests in its ties with foreign parliaments and parliamentary organizations.
