Yerevan Dialogue 2026 has kicked off, convening senior government representatives, the private sector, NGOs, academia, youth, and other stakeholders, immediately following the European Political Community Summit and the first-ever EU-Armenia Summit in the Armenian capital.

Prime Minister Nikol Pashinyan and French President Emmanuel Macron, as well as Foreign Minister Ararat Mirzoyan and the Secretary General of the Council of Europe, Alain Berset, will deliver remarks at the opening.

The forum aims to advance discussions on shared challenges facing Europe as a community of values and its wider neighborhood, as well as to address pressing issues across different regions of the world.
