Foreign Ministry says ambassador informed about categorical unacceptability of providing a platform for Ukraines president to make threats against Russia.

Russia said Thursday that it summoned Armenias ambassador in Moscow over remarks made by Ukrainian President Volodymyr Zelenskyy during the recent European Political Community summit held in the South Caucasus nation earlier this week.

Russias Foreign Ministry said in a statement that Armenian Ambassador Gurgen Arsenyan was informed of the categorical unacceptability of providing Zelenskyy a platform to make what Moscow described as terrorist threats against Russia during events held in Armenia.
